## **At Home Study Guide – Heaven**

*For the week of September 25, 2022*

Heaven – do we have an accurate understanding of our eternal home? We hope this series will help you comprehend the glorious truths of the Bible more fully, so that you will grow in joy as you think about heaven. Use this guide in your small group or as a regular reflection on the truths of the past Sunday’s sermon.

Day 1: Luke 16:19-31 is a parable, not a historical account, but it is intended to teach some principles. What are a couple principles Jesus is teaching about heaven?

Day 2: What does this passage teach you about God’s care and concern for the suffering and downtrodden here on earth? What comfort do you take from God’s care for the fictional Lazarus in this parable?

Day 3: John 14:2-4 gives definite and specific promises about heaven and the new earth. What is Jesus teaching in these three verses?

Day 4: Reflect on this sermon today. How does it give you hope and encouragement because of what God has in store for us in the future (Rev. 21:3)?
