# At Home Study Guide

For the week of February 27, 2022

“Who are you?... What do you believe about yourself?... I believe that the greatest determinant of mental and spiritual health and freedom is a true understanding of God and a right relationship with Him (Neil T. Anderson).” Through this series on our identity in Christ we hope that you will gain a firm foundation for who you are in Christ and how you can live differently as a result.

1. If you have ever been found guilty of a driving offense, then you have an understanding of justification. Justification pertains to our standing with respect to the law, the law of God. How does Romans 5:1 say that we are justified with respect to the law of God?
2. How does justification by faith work (see Romans 3:24, 5:9)?
3. Redemption (Col. 1:13-14) tells what God has done for us in a different way: we are like slaves who were given freedom through the payment of a price. According to Col. 1:13-14, what were we slaves to, and what is different for us when we are redeemed?
4. As a result of what you learned from this sermon, what do you understand better about who you are in Christ?
