It's tough to live an eternally focused life in a world that's not the way it is supposed to be. There is an honest tension between what we already have in Christ, and what we hope for in the new heavens and new earth. Through this series we hope you will gain confidence in God live strong through the difficulties of this world.

1. Joseph's life is one example in the Bible that God is in charge of the events of the world. How did God bring about good in the life of Joseph and his family even through evil? (see especially Gen. 45:5-8)

2. Providence is the term used to describe God's control over the events of this world. Read Prov. 16:1-9. What do you learn from these verses about how God works in and through our plans?

3. Read Romans 8:28-30. What is God's ultimate desire in working all things for good? In what ways should we think and act and live differently because we know that God is in control?

ONE THING

Memorize Philippians 1:6b,

"He who began a good work in you will carry it on to completion until the day of Christ Jesus."
