**To Go**

1. Make a list of people in your life who do not know Jesus as their personal Savior. Start praying for them daily, asking God to open the eyes of their heart.
2. Make it a point this week "as you are going," to speak words of gospel truth and hope into someone's life.
3. Take the test above by circling the statements that best describe you.
4. Find an old hand towel and take some time, either alone or with your family, to write characteristics of a servant attitude on it. Display it where you can be reminded of the attitude of Christ daily.

# At Home Study Guide

For the week of January 21, 2018

Matthew 18:19-20; John 13:12-15

*We will consider Bethel Church's Mission/Vision/Values, and what they mean for our life as a body of believers, on the first three Sundays in January. As you study the passages, look beyond your notes to glean more truth by using these questions, so that you know God better!*

In Matthew 28:19-20 Jesus gives the charge to make disciples. How would you describe what it means to be a disciple-maker?

We have "all nations" at our doorstep in the F/M area. How are you intentionally praying for and reaching out to the nations that are around us?

Foot-washing is an example of an act of humility done to serve others. The greatest act of humility was performed by Jesus through his death on the cross (read Philippians 2:5-11). Meditate on Jesus' act of humility and allow it to shape your heart attitude.

Where has God challenged you to serve others locally? How is God leading you to be a part of his global mission?
