*It's tough to live an eternally focused life in a world that's not the way it is supposed to be. There is an honest tension between what we already have in Christ, and what we hope for in the new heavens and new earth. Through this series we hope you will gain confidence in God live strong through the difficulties of this world.*

1. Paul gives great instructions on focus in our life in Colossians 3:1-17. What does Paul mean when he tells us to seek and set our minds on the things above (1-2)?
2. We set our minds on the things of earth in many ways that are described in verses 5-11. Read through those verses and talk/pray about what you need to put to death/get rid of in your life.
3. Having an eternal focus means focusing on and living out habits that display God and godliness before others. Read through verses 12-17. What habits and actions in your life display Jesus before other people? What areas can you work on?
