At Home Study Guide

For the week of March 22, 2020

As an act of love, and in accordance with guidelines our local/national leaders have given, we are not meeting together for the time being. How do react and still be the church? Great question! We have a tremendous opportunity to Love God, Love Others, and Serve the World in this situation!

1. In Acts 8:1-3 we have an example of a situation in which God used current circumstances to help the church be more effective. How do you see God doing the same thing today?
 2. Love God (Col. 3:16-17): one author wrote this week, "It's moments like these where we need the deep realities about God to sustain us." What truths about God and his Word have become particularly important to you this week?
 3. Love Others (John 13:35): we are not able to meet together in person like we could even last week. We can still encourage one another in the body of Christ, though. What are a couple ways that you could encourage others this week?
 4. Serve the World (John 13:12-15): your neighbors, co-workers, and community will have tremendous needs in the coming weeks. Prayerfully consider how you can be the hands and feet of Jesus at this time.
