“Hope does not disappoint...” (Romans 5:5). Paul writes those words as he is thinking about suffering. We can hope in God because God is faithful, especially in suffering. As we consider hope today, we pray you will grow in your hope in God, whatever your circumstances.

1. How do we know God has a plan for us? Read Philippian 1:6 and find other similar promises in the Bible.
2. In Romans 8:31-32 Paul tells us that God is for us. How would Paul know? What other examples of this are there in the Bible?
3. Psalms 42-43 repeat the desperate cry of a person’s soul to himself, hope in God! At what times have you had to encourage yourself with those same words?
4. “May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.” (Romans 15:13 ESV) Pray this verse in your own words, asking the God of hope to fill you with hope.
