

At Home Study Guide

For the week of April 25, 2021

What are you afraid of? The Bible tells us when God is our light and our salvation, there is nothing to fear (Psalm 27:1). How can God and His Word give us wisdom and direction to handle the inward fears that can shape us? We encourage you to use these questions to help you discuss with others what you learned from the message today.

1. In what ways can you relate to Saul in 1 Samuel 15 as he gave in to the fear of disapproval?
2. What things did Saul do that demonstrated that he feared others rather than God?
3. Just as God chose Saul to be king over Israel, in the same way we don't earn our salvation or adoption into God's family. How does it help you to know that you are approved by God by grace through faith, in spite of what you have done?
4. How can you act differently this week, by fearing God more than people, and loving people for the glory of God?

ONE THING

Acknowledge your fear of disapproval.
Accept Jesus' approval before God, in your place.
Act differently – fear God and love others.
