At Home Study Guide

For the week of May 24, 2020

The Bible gives simple instructions on how to live. Ephesians 5:1-2 keeps it simple, instructing us to be imitators of God and walk in love. How do we practically live that out? Follow along as we consider a new truth each week to help us live as God's dearly loved children.

1. Read Prov. 2:1-15. What is the author's fatherly advice about wisdom? What are all the things he says we should be doing? What will be the result of what we do?

2. One person defines Christian wisdom as conforming our minds to the gospel. Read 1 Cor. 1:30 and think about what that means that Jesus is our wisdom from God.

3. What practical habits can you establish this week to help you seek wisdom from God?

ONE THING

Orient your life to Jesus, because in Him you will find life-giving wisdom.
