At Home Study Guide

For the week of June 28, 2020

The Bible gives simple instructions on how to live. Ephesians 5:1-2 keeps it simple, instructing us to be imitators of God and walk in love. How do we practically live that out? Follow along as we consider a new truth each week to help us live as God's dearly loved children.

1. God has made a time for everything, an appropriate and correct and beautiful time (see 3:11). Think about that as you reflect on Ecc. 3:2-8. What do you learn?
2. God has also made everything so that we can have an eternal perspective, but not so we can understand why something happens at a particular time. Does that cause you to be afraid or to trust God more?
3. Think and ponder about how you can better live in the moment, waiting for God's timing and letting God be God.

ONE THING

Today, decide to live yielded to God's protective care.
