At Home Study Guide

For the week of August 2, 2020

God is light. God is love. Both are simple statements with profound implications. John digs into these truths in the letter called 1 John. Pray and think over this 9 week series about how God's light and God's love affect how to relate to God, others, and the world.

1. If you are a Christian, then your spiritual identity is found in being a child of God. You are first a Christian. How does that impact how you live?

2. It is God's love that makes us his children. He adopts us into his family. In what ways does God's adopting love change how you think about yourself?

3. Christians do not make a practice of sinning, because we are born of God and abide in God. Reflect on your life. What changes has God made in you that have enabled you to grow stronger in your fight against sin?
