At Home Study Guide

For the week of August 26, 2018

As we consider the theme of gathered and scattered in August, we will think about what that means for how we Love God, Love Others, and Serve the World. Allow this series to prepare you for how God might have you participate in ministry this year.

In Matthew 28:19-20 Jesus gives the charge to make disciples. How would you describe what it means to be a disciple-maker?

Disciple-making begins when we scatter and build relationships with people who are not followers of Jesus. In what areas of your life do you regularly come in contact with people who don't know Jesus?

Disciple-making continues when we gather and build relationships with other Christians. What relationships do you need to develop to allow other Christians to pour into you, and to be able to help other believers grow?

We serve the world with our head, our heart, and our hands, in other words, by how we think (our convictions), how we feel (our character), and by what we do (our competency). Consider how you need to grow in serving the world in each of these ways.
