“Once you are aware that the main business that you are here for is to know God, most of life’s problems fall into place of their own accord.” (J.I. Packer). Do you know God? Knowing God is not just knowing facts about him, but having your life changed as a result. Pick up the Companion Small Group Guide for this series and get to know God better with others.

1. Read John 17:3. What do you think Jesus means when he says eternal life is knowing God?

2. What does the Psalm writer mean when he says that God’s greatness is unsearchable (Ps. 145:3)?

3. Application questions: What specific false thoughts or disturbing emotions hinder me when I don’t trust (fully grasp) that God is great? Although my conscious mind may agree that God is great, does my outward life demonstrate that he is great?
