# At Home Study Guide

For the week of September 19, 2021

*Gather – Grow – Go. These three words provide a good description of essential practices for the normal life of a follower of Jesus. As we walk through Acts 2:42-47 over these three weeks, consider your place in the body of Christ. How is God challenging you to gather, grow, and go?*

1. Growing occurs in and through relationships with one another, helping one another trust and follow Jesus. What did you learn from our sermon on Grow?
2. According to Matthew 4:19, a disciple is one who is following Jesus, being changed by Jesus and committed to the mission of Jesus. Does this describe you? In what ways can you be more intentional to grow as a follower of Jesus? (see the GROW track in the SpeakTruth app)
3. Jesus calls his followers, in Matt. 28:19-20, to make disciples, which means: entering into relationships to help others trust and follow Jesus. Think about relationships that you have where God could use you to help others grow.
4. What has God been teaching you lately? Share with another person this week something that God has been teaching you.
