Ephesians 2:1-10

As we study the book of Ephesians, remember that Paul was writing to them to challenge them to think of themselves as people in Christ – people who had been given a new identity. In the same way, as you study this book, consider what Paul is teaching you about your identity in Christ.

Paul begins this chapter telling us we are dead. What does he mean? What can a spiritually dead person do for themselves?

How are we who are dead made spiritually alive? Why are we made spiritually alive (verses 7, 9-10)?

What is the difference between a stranger/alien and a citizen (verse 19)?

The church is the people of God built together on the cornerstone of Jesus (verses 19-22). How does this emphasize the importance of meeting together as a church?
