At Home Study Guide

For the week of November 27, 2022

“Nearly all the wisdom we possess, that is to say, true and sound wisdom, consists of two parts: the knowledge of God and of ourselves.” The Names of God series will focus on the meaning and significance of many of the names and how they point us to the character of God and the person of Jesus. We pray you grow in wonder of God and in the understanding of what God wants to teach you.

1. Read Isaiah 6:1-7. Have you had a time in your life when you caught a glimpse of God’s holiness (v. 3), felt the depth of your own sinfulness (v. 5), and experienced God’s gracious forgiveness (v. 7)?
2. As American Christians often our expectation is that God will make “Healthy, Wealthy, and Wise” with a heavy dose of comfort and convenience added for good measure. How does that contrast with our Lord’s command to “be holy”?
3. How does God use His Word and the renewing of our minds to transform our lives as described in Romans 12:2?
4. What does it mean when the Bible says we are saved from the penalty of sin; we are being saved from the power of sin; and one day we will be saved from even the presence of sin?
