Crossing of the Red Sea

## Quick Review

*This summer we are considering stories from the Old Testament and their abiding relevance today. As you study the passage, look beyond your notes to glean more truth from this passage by using these questions, so that you can find a greater harvest of truth!*

**Context:** Take a look at Ex. 13:1-16. What happens in these verses and how does it set the context for the rest of chap. 13 and chap. 14? What follows in chap. 15, and why is that important?

**Observation:** Who are the main characters in crossing of the Red Sea? What verses did you find most significant as you read through this passage?

**Meaning:** How does the passage point forward to the person and work of Christ? How could you sum up the meaning of this passage in your own words?

**Application:** How does this passage change or affirm your understanding about who God is and what he is like? Is there some attitude or belief you need to change?
